

Dear Jennifer,

My name is Susan Darrow and I am the CEO of Music Together. I wanted to let you know how grateful we are that you've been a part of our classes in so many different countries around the world. Your grandchildren are lucky to have such an involved - and musical! - grandmother. I myself have a 4 year old grandson and it's brought me so much joy over the past several years to bring him to Music Together classes.

I want to wish you the happiest of birthdays, and again, thank you for being part of the Music Together Worldwide community of families!

With gratitude,

Susan

Dear Jennifer,

On behalf of Music Together of Hudson County, New Jersey, I wanted to extend our heartfelt thanks for your remarkable dedication to Music Together and to sharing the joy of music with your grandchildren.

Attending Music Together classes in five different locations around the world is no small feat, and your efforts are a beautiful reflection of how music can connect us, no matter where we are!

We are especially grateful that you chose to include our center in your international musical journey. Thank you for being such a shining example of the spirit of Music Together. And we hope that the music you've shared with your family keeps growing and inspiring joy and connection for years to come!

Jennifer -

It was such a pleasure having you in class with Viggo recently. How amazing that you've brought your grandchildren to Music Together classes in 5 cities across 3 countries - what a legacy!

You have given them an incredible gift: the gift of music and shared memories with their grandmother.

Wishing you a beautiful birthday, and another year full of music and family.
